SHOCK THERAPY PRODUCTIONS PRESENTS
THE STONES by TOM LYCOS and STEFO NANTSOU
 TUE 14th AUGUST | 6:30PM

Two boys, aged 13 and 15, are charged with manslaughter after kicking rocks off a freeway overpass and killing a motorist.

Based on a true story, The Stones is about risk taking behaviour and the pain of guilt when things go too far. The play places the audience in the position of a jury where they must consider whether the boys are responsible for their actions, or too young to know what they were doing.

This award-winning play about youth crime and punishment continues to engage, enthrall and excite audiences and now Shock Therapy Productions puts their signature stamp on this classic work.

Performance Tuesday 14th August from 6:30pm-7:30pm plus 15min Q&A after the show. All tickets \$20 or \$15 for TYC students.
