**Macbeth Re-Arisen** is a cerebral feast of a black comedy that picks up immediately where Shakespeare left off, returning the usurping Scotsman to a rotten state, with head re-fixed, ambition re-kindled, a decomposing Queen and a deadly confrontation that will have the Bard rolling in his grave. ## TYC COMMUNITY PROJECTS

We are extremely excited to announce that we were endorsed by the Queensland Theatre Company to place a project brief to the Child Protection Week Committee and have been successful. So over the coming months a number of our students will be invited to work alongside local actor and director, Anthony Ring, as well as dramaturg Jane Modric and local film maker Ewan Culter to devise a short theatre piece to tour into high schools at the end of Term 3. We have also just recently placed a community grant into the Cairns Regional Council to host a community youth arts festival, as well as a grant to The Australia Council to tour a work down to the Australian Theatre for Young People in Sydney. Thank you to those who were able to write us a letter of support.

## END OF SEMESTER PERFORMANCE SHORT CUTS TIMETABLE

Please see overleaf your child's performance time and date for their upcoming **SHORT CUTS FESTIVAL** (End of Semester Production). Students will also be required to attend their costume and technical rehearsal prior to their production. Students are more than welcome to utilize TYCs costumes for their end of semester production, or they are more than welcome to make their costume at home.
