## TYCs ADVENTURE THEATRE GETS ACOUSTICALLY TREATED!

This year TYC successfully received funding from the Cairns Regional Council to acoustically treat our Adventure Theatre. The Aria award winning Nigel Pegrum from Pegasus Studios, a premier recording & production facility in Cairns lead the project to build and place 10 large acoustic panels, suspend our existing speakers and incorporate a sub-woofer into our sound system. We hope that your audience experience will be enhanced and that our regions young creatives will continue to shine as they tread the boards at TYC. A BIG thanks to Nigel Pegrum, as he went above & beyond!
