Expression of Interest

NIDA proposes to deliver the qualification CUA30415 Certificate III Live Production & Services to a cohort of young people in the Cairns community (ages 15+). NIDA would appoint tutors to travel to Cairns to deliver and assess the content face-to-face. On successful completion of the full program and all assessment requirements, students are awarded with the Cert III qualification, issued by NIDA. **If you are interested in undertaking NIDA's accredited Certificate III in Live Production and Services training, please contact TYC General Manager if you are interested to know more.** This course has not been confirmed. No formal agreement has been entered into with NIDA. TYC are just gauging interest. Expressions of Interest will close at the end of August.

TYC TEAM ON STAGE DURING THE CAIRNS FESTIVAL!

Get set for TYCs fourth Mainstage Production for 2016, **Be-Tween Us**. Running from Friday 19 - Saturday 27 Aug. Secrets change us for better and for worse; they destroy relationships, build bridges, continue our deceptions and confirm our beliefs. Should I tell? Does she know I love her? Was I wrong? Who am I? What are your Secrets? These are the big questions that we have all asked ourselves; the answers may have changed us or revealed us in ways we are still discovering. A mix of young voices grappling with big ideas and we get a glimpse into the lives of these characters at a crisis point. **Be-Tween Us** is the written product of the Australian Theatre for Young People's critically acclaimed program - The Voices Project. Penned by an assemblage of 10 writers, the stories told positively reflect the trials of young people in this modern culture.

This superb collection of stories will tread the boards with TYC Mainstage Performance Troupe and will surely resonate with our regions young people as they begin their journey into adulthood. Witty, touching and chilling, these stories explore, deconstruct and subvert our perceptions of modern Australian life, bringing to audiences the cutting edge of Australian theatre. **"A reflection on the introspective nature of early adulthood", "A blend of the macabre with a casual, almost unassuming, everyday humour"**. Tickets avail at the door or at TicketLink. All tickets \$15. Supervised Event for 14yrs+. Parents free to drop and go.
