### DRAMA STUDIO

During TYCs Drama Studio Workshop Program participants explore and develop an understanding of theatre in a fun and enthusiastic learning environment where their ideas are valued and encouraged; a great place to meet like minded people who love drama, performance and creativity as much as they do!

### CHOIR CLUB

Use your musical talent and creativity to perform as a team and create beautiful harmonies and songs as you work towards an end of semester showcase. You will explore your musicality, performance skills and develop the skills to read sheet music, different styles and genres of music that may be challenging but always enjoyable. Not only will you learn to perform to a high level, but they will also learn about the importance of understanding the voice, how to properly warm up and perform without straining or injuring the voice and different ways to use and manipulate it to create a certain sound.

### MUSICAL PLAYHOUSE

During TYCs Musical Playhouse Workshop Program participants will discover the world of Musical Theatre as Acting, sing-along-singing, movement-dance all take centre stage. With an emphasis on getting creative and putting their own creative ideas on stage, participants will discover the magic of theatre.

### PRIVATE DRAMA COACHING

Does your young performer want to get to that next level of performance? Or would they benefit from an individualised class to explore their school speeches, upcoming school drama performances, or some extra assistance for their weekly classes? Then Private Coaching is for you. We will tailor make a season of classes specifically for your child.

### FILM PRODUCTION CREW

During TYCs Film Production Crew Workshop Program participants will apply their knowledge and understanding of theatre, film and camera work in an imaginative environment. Students participating in the program may already be studying film, or drama at school or have previously done so, while some students may be completely new to the creative world.
