TYC MAINSTAGE 2017:

LORD OF THE FLIES by WILLIAM GOLDING
 Adapted for the Stage by NIGEL WILLIAMS

This riveting stage adaptation of William Golding's still shattering novel unfolds with a dreadful, compelling inevitability. After a plane crash in the ocean, a group of students reach an uninhabited island. While group leader Ralph rationalizes the procedures, his counterpart Jack returns to the primitivism, using the fear for the unknown to control the other boys. What starts as an island adventure quickly descends into a struggle for survival in a darkly sinister world of superstition and immorality.

A Cairns Festival event season Friday 1st September – Saturday 2nd September. Tickets avail at the door or at TicketLink. All tickets \$15.
